INTRODUCTORY NOTES

At its meeting held on 1 March 2012, the Parish Council agreed that as part of its commitment to community engagement, quarterly debates should be held to enable local residents (registered electors) to discuss matters of interest and/or importance with the Parish Council.

This is the first of those public debates and we hope that the meeting will be well-attended. The Parish Council does not wish to restrict discussion, and for this reason, it will be an open forum; however, an outline agenda has been prepared to provide a focus for debate.
